## PRESIDENT'S MESSAGE

Sid informed me that I would still be President on the first Thursday of December, so I have to write a President's letter for December. That makes this my second to last letter as President.

Let's review...in the last four years we have:

- Gone to a lot of events around the area to promote our Club.
- Given a lot of money, carvings, time, and food to various charities.
- Gained new members, some of whom have become very active in the Club.
- Lost some very dear members who have passed away, moved back home, etc.
- Joined other associations with common interests.
- Continued to improve our Woodcarving Show and Sale.
- Lost and regained our tax exempt status 501(c)(3).
- Re-written and amended the Constitution for our Club.
- Consolidated our storage units.
- Organized and increased our wood supply.
- And more.

I have often said that our Club is only as good as its members. Together we have been and will continue to be successful because we have generally been united.

Norm Rutledge got me started in this Club in 2007. The joke is that "They still haven't forgiven him!" Well, I'm not going anywhere. I'll be active with the Club for a long time to come (unless there is an uprising.)

See you Thursday.

Paul H. Baumann III, President

## General Membership Meeting of October 18, 2012 MINUTES

The meeting was called to order by the president, Paul Baumann, at 10:30. Following the Pledge to the Flag, the minutes of the last meeting were approved as published in *The Chip Pile*. Skip Janecek presented the treasurer's report, which was accepted. Curt Shirkey reported that we have 154 members. Paul reminded members that 2013 dues may be paid any time after October 1.

Sean's Restaurant will cater the Christmas party on December 6. There will be a choice of pork chops or chicken cordon bleu. Tickets will be \$11.00.

Dick Dulaney asked that the calming crosses being carved by members be turned in to him by November 1.

The sharpening station, given to us by Work Sharp Tools, is being set up. Sandy asked carvers who use it to please write positive comments (and submit them to her) so she can send them to the donor.

Flex Cut coupons are available to members.

By motion made and carried, it was decided that the proceeds from our carvings sold for charity during this year will be divided equally among Kindness, Inc., Alpha House, and Christmas Wish. The club will round the \$730.50 earned up to \$750, giving each charity \$250.

Designs by Sid Edelbrock and Sandy Smith were submitted as prototypes for hand carved nametags. It was decided that members should be encouraged to carve their own designs. New members will still receive plastic nametags.

Show and Tell followed: Sid Edelbrock carved nametags featuring a loon. Naomi Inglett carved a Santa, two angels from Arlene's class, and a calming cross. Tom Caldwell showed an angel with copper wings and a cross, a dog done in Sandy's class, and a sign for his son-in-law's "mancave". Paul Baumann carved a deer antler wood spirit. Dick Dulaney carved a Mexican fighting bull in walnut. Jim Waldeck showed a mystical house carved in South Dakota cottonwood bark. Rod Engle carved a Santa.

Sid Edelbrock won the Nametag and Show & Tell drawings. Sonia Nelson won the 50/50.

The meeting, which adjourned at 11:00, was followed by a potluck lunch.
