PRESIDENT'S MESSAGE

In the past, the "Letter from the President" reported this and that, told of upcoming events, and praised those who deserved it. This is not one of those letters.

Next month we have elections. Our Club, our County, our State and our Country have elections. In this day and age, we have an enormous amount of information available to us...Use it! Please get informed and make an intelligent decision, then VOTE.

I have talked with all of you at one time or another, none of us lack the capability to investigate the issues. Hopefully, none of us lack the initiative. As a matter of personal choice I do not care who you vote for or why. My only hope is that your vote is made with sound reasoning.

Sincerely,
Paul H. Baumann III, President
