PRESIDENT'S MESSAGE

A young man grew up his entire life saying that he wanted to grow up and become a great writer. He was once asked about what kind of writer he wanted to become in his life. "Oh," he said, "I want to become the kind of writer who is great. I want to write about stuff that everyone in the world will read. I want what I write to make people react on an emotional level. I want them to scream, cry, howl in pain and anger," he said of his writing. Now that he's an adult, he is a writer. He writes error messages for Microsoft.

Speaking of screaming, crying, and howling in pain, you may do just that - because I want to remind you again that we need many more charity items. We sold a lot at our carving show and hopefully we will have sold many more at Gassville.

Let's give a warm welcome to our new members, currently in our beginner class. I know everyone in our club will help them along. I will encourage those carvers to get involved in other aspects of the club aside from the actual carving. The club has only been a success because of the many people who help out at our shows, our committees, and our board members.

Remember, June 16th is our regular meeting followed by Show and Tell. Bring in your latest carvings or you can bring in your carvings that won any ribbon at our Woodcarving Show so that members who weren't able to attend the show have a chance to see them.

It is also Pot Luck right after our meeting so please bring some side dishes, desserts, potato chips, or whatever.

Ray Killen, NAWC President

Paul apologized to the club for over-spending on a very large order of wood which was delivered to the show. He said that he will bring wood to carving sessions the 1st and 3rd Thursday of each month. We will also sell wood at events that we attend. There is a new price list for the wood.

The new class started today with 3 members.

Bonnie Davis thanked the club members for all the help they so willingly gave at the show.

Show and Tell followed: Kathi Clark showed the Bar-Fly that she carved for the competition at the show. Sandra Shackelford carved a fawn, her first animal carving. Dale Brissey showed three miniature bird houses and a left-handed wren pin. Sandy Lord showed her first relief carving carved in Naomi Inglett's class. Becky Skinner carved and wood burned a relief carving in Naomi's class. Phil Wiles chip carved and then air brushed a wooden box.
