PRESIDENT'S MESSAGE

A burglar breaks into a house. He starts shining his light around looking for valuables. Some nice things catch his eye, and as he reaches for them, he hears, "Jesus is watching you." Startled, the burglar looks for the speaker. Seeing no one, he keeps putting things in his bag, again, he hears, "Jesus is watching you." This time, he sees a parrot.

"Who are you?" the burglar asks.

"Moses," the bird replied.

"Who the heck would name a bird Moses?" the man laughed.

"I dunno," Moses answered, "I guess the same kind of people that would name a Rottweiler Jesus."

As you know by now, Gassville in the park was rained out. Our club always did fairly well at that event. The end result means that the club will not have as much money to pay our bills nor to donate to charity this year. Last year the BOD recommended that we not attend Cooper Park History Days this October since we have done quite poorly at that location the past couple of years. That leaves the Baxter County Fair, the Hillbilly Chili Cookoff, and possibly the Wood Turners Show to try to regain our lost income. We have less than two months to resupply our charity items so keep carving. Any carvings intended for charity can be given to me to hold until it is time to price them.

Margaret and I are going on a 24 day, 2000 plus mile, Avalon Waterways River cruise from Amsterdam to Bucharest, Romania leaving near the end of July and will not be back until the last week in August so we will be missing some meetings. We really feel badly about this but it's just something that we will have to endure.

Finally, because I know everyone has been anxiously awaiting this information, I have updated our 501(c)(3) for 2016 so no one will be going to jail any time soon.

Ray Killen, NAWC President

A Message from Kathi Clark

My workshop and our garage were broken into last night and my favorite hand tools are missing. Also missing is a new, never-used Dremel tool and a flex shaft attachment. If anyone knows of anyone selling a large amount of tools, please contact me (870-580-0711 or kathiClark1488@gmail.com) or the Mountain Home police department (870-425-6336). The police will be checking pawn shops, but the tools could show up at garage sales.
