PRESIDENT'S MESSAGE

Hi everyone,

Hope this finds you all well and safe. Please follow all of the guidelines that have been given and we will all get through this and meet afterward. But, while you are home, it is a good time to finish any work needed on the club projects so they will be done after this is over. Don't know what we will be able to do with it, but if it is finished, we can decide then. I contacted the woman who wanted a walking stick and am working on that, so trying to stay busy.

With everything being cancelled there is not a lot more to say, so stay well and safe and say a few prayers cause it won't hurt. See you all after this is over.

Marty Wells, NAWC President
