PRESIDENT'S MESSAGE

Hi to all of you. We miss you.

Well here we are 9 weeks from when we stopped meeting and nothing yet. There is a light at the end of the tunnel though. I talked to the VFW and they have really cleaned the hall in readiness to open. They need to vote on a new Commander but can't meet to vote. When they do and can open, they will call me to let us meet again.

From what I have found out there were only 5 Covid-19 cases in Baxter County and none of them went to the hospital and all have recovered, so we are doing much better than the rest of the country. This, however, doesn't mean we shouldn't be careful though. So when we meet we should do social distancing and wear a mask if you feel safer with it.

If you have any questions or needs from me, please e-mail me at marpen22@msn.com. Looking forward to seeing you all again.

Marty (and Penny), NAWC President (Secretary)
