## PRESIDENT'S MESSAGE

Hi all,

We made it another month without any bad news among our members. Hope all is well with all of you. We are still meeting at the VFW and just got a call from them with new guidelines (they were probably the same guidelines but they didn't know) from the health department.

We all have to wear a mask at our meetings unless you are drinking or eating something (just like a restaurant), then you can remove it to eat or drink. You must keep a distance of 6 feet from others when you don't have a mask on. We have to keep a sign-up sheet with names and phone numbers in case one of us comes down with Covid, then they will ask for it. We also have masks available if someone doesn't have one and hand sanitizer available to use. All of this is now in effect so we will be as safe as possible. This will make it safer for all of our members who come to our meetings.

We would like to welcome Lynn Huett as our new interim treasurer. She is taking over to help out and we appreciate it.

Joel Jendreas said that he's got some crepe myrtle wood available to any member who would like some. He has some for walking sticks and some larger pieces to carve. He also says it is green right now and great to carve. If you are interested call him at 870-701-3563.

Clarkridge Fire Department is having their pancake breakfast on this Saturday 8-8, from 7:30am to 11:00am. Please go join them and have a great breakfast and support the local Fire Departments.

Two weeks from now on Thursday, 8-20, instead of a potluck we are ordering pizza in. Each person or couple will be able to order the pizza or some other items and then whatever is left over, you take home. Barb Edelbrock will have all the information on what can be ordered on Thursday 8-13 so you can decide what you want. Please bring cash on the 20th so it will be easier to pay for everything. Plan on rounding it up to the next dollar and if it is delivered, please add \$1.00 for a tip.

The board also discussed what to do about our charity giving in December. We don't have any money collected, so we had two options. (1) Don't give any this year or (2) Take up a donation and then give that to a chosen charity. After some discussion the board decided to just have our normal food drive for the food basket and make any extra donations each of you would want to make in cash to go with any food donated.

We are plugging along as a club. Money is going out faster than it is coming in and some members have expressed concern about how our club will survive. Having more members at our meetings would possibly make the 50-50 pot a little larger, but with this stuff still out there, some are

still a little leary of coming out. This club has been a pretty strong club and we will keep going through this and I think we will turn out just fine. But we will be going through some rough times for a little longer. Unless all of our monies run out, we will continue on and keep going. We have been having about 20-25 members each week and all attending are having a great time, so we will get through this, just keep the faith and a little prayer won't hurt either.

'Til next month, good carving,

Marty Wells
