

We welcome new carvers, experienced carvers, and spouses to join the NAWC. Come learn, carve, and visit with us!

The NAWC meets each Thursday morning from 8:00 am to 11:00 am at the VFW Post 3246 located at the corner of 7th St. and Gray St., Mountain Home.

Beginner classes are offered to help new members learn carving skills and techniques. Each beginner class series lasts 15 weeks. Multiple carving skills are taught by experienced members of the club. Classes are held during the regular Thursday meetings from 8:00 am to 11:00 am.

If inclement weather causes the closure of Mountain Home schools, the Thursday meeting and the beginner classes will be cancelled.
